### Dividend policy

The Company expects to adopt a progressive dividend policy that focuses on providing increasing returns to shareholders. Whilst also ensuring that the Group retains the flexibility to continue to deploy capital towards profitable growth. In the short to medium term, the Directors expect to maintain a dividend payment of at least 35% of retained profit.

The Directors intend to pay initial pro rata dividends in January 2019 and July 2019, corresponding to the stub period for the half year 2019 (i.e. 1/7/18 to 30/9/18) in January 2019 and full-year 2019 respectively (i.e. 1/10/18 to 31/3/19) in July 2019.

Following these initial dividends, the directors intend that the Company will pay an interim dividend and final dividend in approximate proportions of one third and two thirds respectively of the total annual expected dividend (if any).

Dividends are expected to be declared and paid half yearly in each January and July.
