31 August 2023

Dear Shareholder,

Notice of Annual General Meeting

I am writing to you with details of our fifth Annual General Meeting which we are holding at Bournemouth Highcliff Marriott Hotel, 105 St Michael's Road, Bournemouth BH2 5DU, on Wednesday 27 September 2023 at 13.30. The formal Notice of Annual General Meeting is set out on pages 4 to 7 of this document. Explanatory notes are set out on pages 8 to 15 of this document.

Attendance at the Annual General Meeting

It is the Company's intention that shareholders will be able to attend the Annual General Meeting in person, should you so wish. The Company will also provide for shareholders to be able to listen to and view the Annual General Meeting via a webcast and you can submit questions to the Board in advance of the Annual General Meeting by emailing investors@amigo.me, including your full name and investor code (IVC number).

The Board may need to make further changes to the arrangements relating to the Annual General Meeting, including how it is conducted, and shareholders should therefore continue to monitor the Company's website and announcements for any updates.

Voting

If you would like to vote on the resolutions but cannot come to the Annual General Meeting, please register your proxy electronically. To safeguard your ability to be able to vote on the resolutions, you are strongly encouraged to vote by proxy and to appoint the Chair of the meeting as your proxy. The Chair will cast votes in accordance with your instructions. You can register your proxy vote electronically at www.signalshares.com. See the Additional Information section commencing on page 11 for more details. Your proxy vote must be received by no later than **13.30 on Monday 25 September 2023**. Absent any UK government restrictions on meetings, completion of the form of proxy will not prevent you from attending or voting at the meeting in person, should you so wish.

Recommendation

The Board considers that all the resolutions to be put to you at the Annual General Meeting are appropriate in the challenging situation facing the Company. The Group has been in wind-down since March 2023. The Directors have two primary obligations: (i) to maximise the run-off proceeds from the wind-down of business, for the benefit of the Scheme creditors; and (ii) to explore what, if any, value can be derived from the residual shell. We are reaching the cross-over point where the costs of maintaining Amigo's listing have become incompatible with our Court obligation to maximise the net run-off proceeds. A particular issue is that the Listing Rules, which govern our listing on the London Stock Exchange, require us to incur the significant expense of preparing a Class 1 disposal circular, to seek shareholder approval for the sale of our live loan portfolios to maximise net returns for creditors, as required under the High Court approved Fallback Solution.

In this context we plan to hold a separate General Meeting, at a date still to be decided, to seek the required shareholder approval for delisting the Company from the London Stock Exchange. The delay in sending out the delisting General Meeting resolutions will provide the Company, and those who have been working to find an alternative funding solution for the business, with the maximum time possible. We will not proceed with the delisting if, in the view of the Board, there remains a realistic prospect of preserving value for shareholders.

The Directors of the Company unanimously recommend that you vote in favour of all of the proposed resolutions as they intend to do in respect of their own beneficial holdings.

Yours faithfully

Jonathan Roe
Chair of the Board

these authorisations to expire at the conclusion of the next Annual General Meeting of the Company (or, if earlier, at the close of business on 27 December 2024), save that the Company may before such expiry make any offer or agreement which would or might require shares to be allotted, or rights to be granted, after such expiry and the Directors may allot shares, or grant rights to subscribe for or to convert any security into shares, in pursuance of any such offer or agreement as if the authorisations conferred hereby had not expired.

Resolution 11. Authority for disapplication of pre-emption rights – Special Resolution

That, subject to the passing of resolution 10 above, the Directors be given power pursuant to sections 570(1) and 573 of the Companies Act 2006 to:

- (i) in connection with or pursuant to an offer of or invitation to acquire equity securities (but in the case of the authorisation granted under resolution 10(b) above, by way of a rights issue only) in favour of holders of ordinary shares in proportion (as nearly as practicable) to the respective number of ordinary shares held by them on the record date for such allotment or sale (and holders of any other class of equity securities entitled to participate therein or, if the Directors consider it necessary, as permitted by the rights of those securities), but subject to such exclusions or other arrangements as the Directors may consider necessary or appropriate to deal with fractional entitlements, treasury shares, record dates or legal, regulatory or practical difficulties which may arise under the laws of or the requirements of any regulatory body or stock exchange in any territory or any other matter whatsoever; and

- (b) sell ordinary shares (as defined in section 560(1) of the Companies Act 2006) held by the Company as treasury shares for cash, as if section 561 of the Companies Act 2006 did not apply to any such allotment or sale, provided that this power shall be:
 - (i) limited to the allotment of equity securities for cash and the sale of treasury shares, up to an aggregate nominal amount of £59,416; and
 - (ii) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Directors have determined to be an acquisition or other capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this Notice, or for any other purposes as the Company in general meeting may at any time by special resolution determine,

and shall expire at the conclusion of the next Annual General Meeting of the Company (or, if earlier, at the close of business on 27 December 2024), save that the Company may before such expiry make any offer or agreement that would or might require equity securities to be allotted, or treasury shares to be sold, after such expiry and the Directors may allot equity securities, or sell treasury shares, in pursuance of any such offer or agreement as if the power conferred hereby had not expired.

Resolution 13. Share buyback – Special Resolution

- (a) the maximum number of ordinary shares which may be purchased is 47,533,376;
- (b) the minimum price that may be paid for each ordinary share is 0.25p; such amount shall be exclusive of expenses, if any;
- (c) the maximum price (exclusive of expenses) that may be paid for each ordinary share is an amount equal to the higher of:

 - (ii) the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venues where the purchase is carried out;
- (d) unless previously renewed, revoked or varied, this authority shall expire at the conclusion of the Annual General Meeting in 2024 or at the close of business on 27 December 2024, whichever is the earlier; and
- (e) the Company may, before this authority expires, make a contract to purchase ordinary shares that would or might be executed wholly or partly after the expiry of this authority, and may make purchases of ordinary shares pursuant to it as if this authority had not expired.

Explanatory notes to the resolutions

The notes below explain the resolutions which will be proposed at the Annual General Meeting of Amigo Holdings PLC to be held at Bournemouth Highcliff Marriott Hotel, 105 St Michael's Road, Bournemouth BH2 5DU on Wednesday 27 September 2023 at 13.30.

Resolutions 1 to 10 will be proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 11 to 14 will be proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Resolution 1. Report and Accounts 2023

The Directors will present the accounts and reports of the Directors of the Company for the year ended 31 March 2023 (the "**Annual Report and Accounts 2023**"), together with the report of the auditor for adoption by the Company.

Resolution 2. Directors' Remuneration Report

This resolution is to approve the Directors' Remuneration Report for the financial period ended 31 March 2023 (the "**Directors' Remuneration Report**"). You can find the Directors' Remuneration Report on pages 54 to 72 (inclusive) of the Annual Report and Accounts 2023. As this vote is an advisory vote, no entitlement of a Director to remuneration is conditional on it. This resolution is put annually as required by the Companies Act 2006.

Resolutions 3 to 6. Director election and re-election

Resolutions 3 to 6 relate to the re-election and election of Directors to the Board. In accordance with the recommendations of the UK Corporate Governance Code, all the directors of a company should retire at the annual general meeting and those wishing to serve again should submit themselves for election and re-election by the shareholders. All of the Directors are retiring at the Annual General Meeting and all Directors are submitting themselves for election and re-election by the shareholders. Notwithstanding that Danny Malone, the CEO, has submitted his resignation as a Director, he has put himself forward for re-election, as required by the Company's Articles of Association, so that he is able to serve out the remainder of his notice period as a Director. The Board is satisfied that each Director standing for election and re-election continues to be effective and to demonstrate commitment to the role.

Short biographical details of the Directors are set out on pages 36 and 37 of the Annual Report and Accounts 2023.

Resolutions 3 to 4 relate to the re-election of Jonathan Roe and Michael Bartholomeusz, who are the Directors that the Board has determined are independent Non-Executive Directors for the purposes of the UK Corporate Governance Code (each an "**Independent Director**" and together the "**Independent Directors**").

The Directors, including the Independent Directors, possess a wide range of experience and expertise (as described in the Directors' biographies). The Company assesses the independence of its Non-Executive Directors in accordance with the recommendations of the UK Corporate Governance Code. The Company determined that the Independent Directors were independent on their appointment to the Board of the Company and ensures that they remain independent by reviewing their character and judgement. The Board believes that each of the Independent Directors is independent and provides an effective contribution to the Board. The Nomination Committee is responsible for the selection and evaluation of Independent Directors, by reference to the Board's requirements. The Nomination Committee considers a shortlist of potential candidates in light of the balance of skills, experience, independence and knowledge of the Board, drawing candidates from the Company's extensive network and, where appropriate, external recruitment consultants.

Resolutions 7 and 8. Auditor re-appointment and remuneration

Resolutions 7 and 8 relate to the re-appointment of MHA as the Company's auditor and the authorisation of the Directors to determine its remuneration, respectively. The Company's auditor must be submitted for re-appointment at each general meeting at which the Company's accounts are laid.

Resolution 9. Political donations

The Companies Act 2006 requires companies to obtain shareholders' authority before they can make donations to political organisations or incur political expenses. It is not proposed or intended to alter the Company's policy of not making political donations, within the normal meaning of that expression. However, this resolution is proposed to ensure that the Company and its subsidiaries do not, because of any uncertainty as to the bodies or activities covered by the Companies Act 2006, unintentionally commit any technical breach of the Companies Act 2006 by making political donations. Resolution 9, if passed, will give the Directors authority to make political donations until the close of business on 27 December 2024 or, if sooner, the next Annual General Meeting of the Company (when the Directors intend to renew this authority), up to an aggregate of £100,000 for the Company and its subsidiary companies.

Resolution 10. Authority to allot shares

Your Directors may allot shares and grant rights to subscribe for, or convert any security into, shares only if authorised to do so by shareholders. The authority granted at the Company's last Annual General Meeting on 28 September 2022 is due to expire at the end of the Annual General Meeting. Accordingly, resolution 10 will be proposed as an ordinary resolution to grant new authorities to allot shares and grant rights to subscribe for, or convert any security into, shares: (a) up to an aggregate nominal amount of £396,111, representing approximately one-third (33.33%) of the Company's existing issued share capital as at 25 August 2023 (being the latest practicable date prior to publication of this document); and (b) in connection with a rights issue, up to an aggregate nominal amount of £792,222 (as reduced by allotments under paragraph (a) of the resolution), representing (before any reduction) approximately two-thirds (66.67%) of the Company's existing issued ordinary share capital as at 25 August 2023 (being the latest practicable date prior to publication of this document).

The Company is proposing this resolution to give the Board of the Company flexibility; however, the Directors have no present intention of exercising this authority other than in relation to any issues of shares under proposed employee share schemes. However, if they do exercise the authority, the Directors intend to take note of relevant corporate governance guidelines in the use of such powers.

As of 25 August 2023 (being the latest practicable date prior to publication of this document), the Company holds no ordinary treasury shares.

If given, these authorities will expire at the Annual General Meeting of the Company in 2024 or at the close of business on 27 December 2024, whichever is the earlier.

Resolution 11. Disapplication of pre-emption rights

Your Directors also require a power from shareholders to allot equity securities or sell treasury shares for cash and otherwise than to existing shareholders pro rata to their holdings. The power granted at the last Annual General Meeting on 28 September 2022 is due to expire at the end of the Annual General Meeting. Accordingly, resolution 11 will be proposed as a special resolution to grant such a power.

Apart from offers or invitations in proportion to the respective number of shares held, the power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £59,416 (being approximately 5% of the Company's issued ordinary share capital as of 25 August 2023 (being the latest practicable date prior to publication of this document)).

If given, this power will expire at the Annual General Meeting of the Company in 2024 or at the close of business on 27 December 2024, whichever is the earlier.

The figure of 5% reflects the Pre-Emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the "**Statement of Principles**"). Your Directors will have due regard to the Statement of Principles in relation to any exercise of this power; in particular, they do not intend to allot shares for cash on a non-pre-emptive basis pursuant to this power in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company in any rolling three year period, without prior consultation with shareholders.

Resolution 12. Further disapplication of pre-emption rights

Your Directors are seeking this year a further power from shareholders to allot equity securities or sell treasury shares for cash otherwise than to existing shareholders pro rata to their holdings, to reflect the Statement of Principles. Accordingly, resolution 12 will be proposed as a special resolution to grant such a power.

The power will be limited to the allotment of equity securities and sales of treasury shares for cash up to an aggregate nominal value of £59,416 (being approximately 5% of the Company's issued ordinary share capital as of 25 August 2023 (the latest practicable date prior to publication of this Notice)). This is in addition to the 5% referred to in resolution 11.

If given, this power will expire at the Annual General Meeting of the Company in 2024 or at the close of business on 27 December 2024, whichever is the earlier. Your Directors will have due regard to the Statement of Principles in relation to any exercise of this power and in particular they confirm that they intend to use this power only in connection with a transaction which they have determined to be an acquisition or other capital investment (of a kind contemplated by the Statement of Principles most recently published prior to the date of this Notice) which is announced contemporaneously with the announcement of the issue, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

Explanatory notes to the resolutions continued

Resolution 13. Authority to purchase own shares

This resolution will give the Company the authority to purchase its own shares in the markets up to a limit of 10% of its issued share capital. The maximum and minimum prices are stated in the resolution. Your Directors believe that it is advantageous for the Company to have this flexibility to make market purchases of its own shares. Your Directors will exercise this authority only if: (i) they are satisfied that a purchase would result in an increase in expected earnings per share and would be in the interests of shareholders generally; and (ii) such purchase would not require any person to make a mandatory takeover bid for the Company in accordance with Rule 9 of the Takeover Code.

In the event that shares are purchased, they may either be cancelled (and the number of shares in issue would be reduced accordingly) or, in accordance with the Companies Act 2006, be retained as treasury shares.

The Company would consider holding repurchased shares pursuant to the authority conferred by this resolution as treasury shares. This would give the Company the ability to reissue treasury shares quickly and cost effectively and would provide the Company with additional flexibility in the management of its capital base.

Resolution 14. Authority to call general meetings at short notice

The Companies Act 2006 requires the Company to give at least 21 clear days' notice for a general meeting of the Company (other than Annual General Meetings) unless the Company:

- (a) has obtained shareholder approval for the holding of general meetings on shorter notice, which cannot be less than 14 clear days; and
- (b) offers the facility for all shareholders to vote by electronic means.

Resolution 14 seeks such approval and will be proposed as a special resolution. The minimum notice period for Annual General Meetings remains at least 21 clear days' notice. The shorter notice period would not be used as a matter of routine for general meetings. The flexibility offered by this resolution will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at such general meeting.

If given, this power will expire at the Annual General Meeting of the Company in 2024.

Additional information in respect of the Notice and Annual General Meeting (including in relation to the appointment of proxies)

Changes to entries on the register of members after this time shall be disregarded in determining the rights of any person to attend or vote at the meeting.
2. The Board has put in place arrangements for the Annual General Meeting to enable the shareholders to engage in the process. Shareholders will be able to listen to and view the Annual General Meeting via a webcast. Details of the webcast will be made available on the Company's website (www.amigopl.com). The Chair will cast votes regarding your shareholding in accordance with your instructions.
4. The Board will keep the situation under review and may need to make further changes to the arrangements relating to the Annual General Meeting, including how it is conducted, and shareholders should therefore continue to monitor the Company's website and announcements for any updates.

Appointment of proxies

5. A member is entitled to appoint another person as his/her proxy to exercise all or any of his/her rights to attend, to speak and to vote at the Annual General Meeting. A member may appoint more than one proxy in relation to the meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by him/her. If a proxy appointment is submitted without indicating how the proxy should vote on any resolution, the proxy will have discretion as to whether and, if so, how he/she votes. A proxy need not be a member of the Company. If a member submits more than one valid proxy appointment in respect of the same shares, the appointment received last before the latest time for the receipt of proxies will take precedence.
6. In case neither you, nor any person you might appoint to vote on your behalf, other than the Chair of the meeting is able to attend the meeting in person, you are strongly encouraged to vote by proxy and to appoint the Chair of the meeting as your proxy. To register your proxy vote electronically, go to www.signalshares.com. If you are a CREST member, see note 14 below. Due to the potential disruption and delays to the postal service as a result of potential industrial action, we strongly recommend that you register your proxy vote electronically. If you do intend to submit a hard copy form of proxy, please ensure your form of proxy is posted sufficiently far in advance to ensure it is received before the deadline.

Additional information in respect of the Notice of Annual General Meeting (including in relation to appointment of proxies) continued

8. To change your proxy instructions, you may amend them via www.signalshares.com or return a new hard copy form of proxy using the methods set out above. Please contact the Company's registrar, Link Group, if you require another hard copy form of proxy and return to FREEPOST PXS, Central Square, 29 Wellington Street, Leeds LS1 4DL. The deadline for receipt of proxy appointments (see above) also applies in relation to amended instructions. Any attempt to terminate or amend a proxy appointment received after the relevant deadline will be disregarded. Where two (or more) valid but differing appointments of proxy are received in respect of the same share(s) for use at the same meeting and in respect of the same matter, the one which is last validly received (regardless of its date or of the date of its execution or submission) shall be treated as replacing and revoking the other or others as regards the relevant share(s). If the Company is unable to determine which appointment was last validly received, none of them shall be treated as valid in respect of the relevant share(s).
9. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first named being the most senior).
10. Completion of an electronic or paper form of proxy (or other instrument appointing a proxy or any CREST Proxy Instruction (as described in note 12 below)) will not preclude a member attending and voting in person at the meeting if he/she wishes to do so. To ensure your votes are cast in accordance with your wishes, we strongly encourage you to appoint the Chair of the meeting as your proxy as it is possible that neither you nor any other person you might appoint as your proxy will be able to attend the Annual General Meeting in person.
11. A vote withheld option is provided on the form of proxy to enable you to instruct your proxy not to vote on any particular resolution; however, it should be noted that a vote withheld in this way is not a "vote" in law and will not be counted in the calculation of the proportion of the votes "For" and "Against" a resolution.

Proxy appointment via CREST

12. Alternatively, if you are a member of CREST, you may register the appointment of a proxy by using the CREST electronic proxy appointment service. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via www.euroclear.com) subject to the provisions of the Company's Articles of Association. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. Please note the following:
 - (i) In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST Message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK and International Limited's ("Euroclear's") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent, Link Group (ID RA10), by the latest time(s) for receipt of proxy appointments specified in this Notice.

For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
 - (ii) CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
13. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Proxy appointment via Proxymity

14. If you are an institutional investor you may be able to appoint a proxy electronically via the Proxymity platform. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged 48 hours prior to the time appointed for the meeting in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

17. The statement of the above rights of the members in relation to the appointment of proxies does not apply to Nominated Persons. Those rights can only be exercised by members of the Company.

Appointment of corporate representatives

18. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

Right to ask questions

19. Any member attending an Annual General Meeting has the right to ask questions. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if:
 - (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
 - (b) the answer has already been given on a website in the form of an answer to a question; or
 - (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
20. Shareholders can also submit questions to the Board in advance of the Annual General Meeting by emailing investors@amigo.me by no later than 13.30 on Monday 25 September 2023. Please include your full name and investor code (IVC number). All questions received will be considered and, where appropriate, answered either ahead of or at the Annual General Meeting.
